

## ***OhioMeansJobs-Readiness Seal announced***

Ohio high school students can now earn recognition by showing they are prepared to contribute to the workplace and their communities. The OhioMeansJobs-Readiness Seal is a formal designation students can earn on their high school diplomas and transcripts indicating they have the personal strengths, strong work ethics and professional experience that businesses need.

To earn the seal, students must demonstrate certain professional skills required for success in the workplace. They must also work with at least three experienced and trusted mentors who validate the demonstrations of these skills in school, work or the community.
